Definitions

In this section, all the defined terms are printed in bold, however, everywhere else in this policy, we have printed them in the regular font to make the policy easier to read.

The key words and terms that we use in this document:

- **Accessories** – parts added to your vehicle that do not affect its performance.
- **Agreed value** – the amount which represents the insured value of your vehicle as agreed by you and us at the start of the period of insurance.

Note: If your vehicle is stolen and not recovered or is a total loss, we agree to pay you the agreed value as shown on your schedule and not the market value of the vehicle. If your insurance has been accepted on an agreed value, it will be indicated on your schedule.
- **Approved repairer** – a motor vehicle repairer which is a member of our approved repairer network and is authorised by us to repair the insured vehicle after a valid claim under Section 2 of this insurance.
- **Breakdown(s)** – mechanical or electrical breakdown (failures or breakages), flat batteries, punctures, running out of fuel; misfuelling or contaminated fuel used, lost ignition keys, or damage which is caused by an accident, vandalism, fire or theft and results in you not being able to drive the vehicle, which renders the insured vehicle incapable of being driven or illegal to drive, occurring during the period of insurance.
- **Carjacking** – the unlawful removal or detention of you or an insured driver from your vehicle during a theft or attempted theft by intimidation, force, or violence.
- **Certificate of motor insurance** – a document which is legal evidence of your insurance and which forms part of this document, and which you must read with this document.
- **Courtesy car** – a Group B (small standard private car) or PV1 (small car-derived van or similar) vehicle loaned to you by our approved repairer whilst the insured vehicle is being repaired after a valid claim under Section 2 of this insurance.

Note: A courtesy car is intended to keep you mobile. It is not necessarily a like for like replacement of your vehicle. All courtesy cars are subject to the driver meeting the terms and conditions of hire from the approved repairer.
- **Electric vehicle** – a vehicle which uses one or more electric motors for propulsion; or a hybrid motor vehicle using a combination of electric motors and an internal combustion engine.
- **Endorsement** – a change in the terms of the insurance which replaces the standard insurance wording, and is printed on, or issued with, the current schedule and current schedule of endorsements.
- **ERS** – is made up of the Lloyd's underwriters who have insured you under this contract. Each underwriter is only legally responsible for their own share of the risk and not for any other's share. You can ask us for the names of the underwriters and the share of the risk each has taken on.
- **Excess** – a contribution by you towards a claim under this insurance.
- **Garage** – an enclosed permanent structure, comprised of brick, stone, concrete, timber or steel sides with an enclosed roof and with lockable secure entrance door(s), which is a non-communal, private building, designed and built specifically to house motor vehicles, which is solely for your personal use and within the boundaries of your permanent place of residence or address previously declared to and accepted by us.

- **Hire Car** - a replacement car hired by us when a courtesy car is not suitable or not available, or your claim for theft or total loss is accepted.
- **Home address** - the place where the insured vehicle is normally kept within the United Kingdom, as shown on the schedule.
- **Inflatable Storage** - an inflatable storage device is a protective cover for your vehicle which is inflated by battery or mains power.
- **Market value** - the cost of replacing your vehicle with another one of the same make, model, and specification and of similar age, mileage, and condition at the time of an accident or loss. If your vehicle has been accepted on market value, this will be shown on your schedule.
- **Named driver** - anyone whose name is specified as a 'named driver' in the schedule and/or certificate of Motor Insurance.
- **Passenger(s)** - persons being legally transported by the insured vehicle.
- **Period of insurance** - the period of time covered by this insurance (as shown on the schedule) and any further period for which we accept your premium.
- **Recovery agent** - a qualified motor mechanic or recovery driver who is a member of our approved recovery network.
- **Road** - any place which is a road for the purpose of any compulsory motor insurance law that operates within the territorial limits.
- **Road rage** - an incident resulting in bodily injury or psychological damage to you or an insured driver caused by a violent or aggressive person while you are using your vehicle.
- **Schedule** - the document showing the vehicle we are insuring and the cover which applies. To be read in conjunction with the schedule of endorsements, policy document and certificate of motor insurance.

Section 1 – Liability to others

Driving your vehicle

We will provide insurance for any accident you have while you are driving, using or in charge of your vehicle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is **£20,000,000** for any claim or claims arising out of one incident.

We will pay up to **£5,000,000** for any costs and expenses arising out of a claim or claims arising from one incident.

If there is a property damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people:

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition
- Any passenger who has an accident while travelling in or getting into or out of the insured vehicle

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Business use

If your certificate of motor insurance allows business use, we will insure your employer or business partner against the events shown above under 'Driving your vehicle' while you are working for that employer or partner, but not while using a vehicle provided by the employer or partner unless that vehicle is shown on your schedule.

Legal costs

In respect of any event which is covered under this section, if we first agree in writing, we will arrange and pay:

- Solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction
- The costs for legal services to defend anyone we insure against any prosecution arising from any death
- All other legal costs and expenses we agree to

The most we will pay for the legal costs is **£100,000** for any claim or claims arising out of one incident.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Act.

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer, or a broken-down vehicle (as allowed by law).

We will only provide this cover if:

- The caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment made for the purpose and
- The method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law

We will not pay any claim arising from:

- Loss of or damage to the towed caravan, trailer, or broken-down vehicle
- Loss of or damage to any property being carried in or on the towed caravan, trailer, or broken-down vehicle
- A caravan, trailer or broken-down vehicle being towed for reward
- Towing more trailers than the number allowed by law or
- If more than one caravan or broken-down vehicle is being towed at any one time

Charging cable – Liability

We will cover your legal liability for death, bodily injury or damage to property arising out of the connection of the insured vehicle to a domestic mains power supply, or a public charging unit for the purposes of charging the insured vehicle. Only whilst it is connected by means of the manufacturer supplied domestic charging cable or the public charging unit's standard heavy-duty cable.

Cyber Liability Cover

We will pay any amounts you may legally have to pay subject to the limits stated under Section 1 for causing death or bodily injury to other people, or property damage, due to:

- a) The use of, or failure of, any application, software, or programme in connection with your vehicle (including any driver assistance, safety, or security systems),
- b) Any computer virus, ransomware, code, or software affecting any electronic systems fitted to your vehicle by the original vehicle manufacturer,
- c) Any threat, deception or hoax relating to a and/or b above,

subject to the terms, conditions, limitations, and exclusions of this policy.

Exceptions to Section 1

This section of your insurance does not cover the following:

1. Anyone who can claim for the same loss from any other insurance
2. Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance
3. Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws
4. Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss, or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event

This exception:

- Relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour, or gas leaking or being released and
- Includes contamination or pollution of any building or other structure, water, land, or the air

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour, or gas being deliberately released or leaks caused by the failure to maintain or repair your vehicle, or any part of it

5. Death, bodily injury, or damage arising as a result of loading or unloading your vehicle somewhere other than on the road by anyone apart from the driver or attendant

Section 2 – Loss of or damage to your vehicle

This cover only applies to your vehicle(s)

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion or
- Theft or attempted theft or taking your vehicle away without your permission

For a claim under this section, we will, at our absolute discretion, either:

- Pay for the damage to be repaired
- Pay an amount of cash to replace the lost or damaged item or
- Replace the lost or damaged vehicle

The most we will pay will be either:

- The UK mainland market value of your vehicle (including its accessories) as determined by us, immediately before the loss; as shown on your schedule or if it applies, the agreed value shown on your schedule or
- The amount it would cost us to repair your vehicle

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown within your insurance policy document or on your schedule, you have agreed to pay that amount for each incident of loss or damage.

Multiple vehicle excess waiver

If more than one vehicle is insured on your insurance policy and they are involved in the same incident, only the highest of the excesses shown in your insurance policy will apply.

The multiple vehicle excess waiver does not apply to events involving fire or theft.

Windscreen damage (comprehensive cover only)

We will pay for the replacement or repair to your vehicle's windscreen, windows, or sunroof (including panoramic sunroof) and any bodywork scratched by broken glass from the window or windscreen. The helpline number is 0330 123 5992.

We will also pay for any recalibration needed following the replacement of the windscreen resulting from an insured event under this policy.

The following excesses apply to a windscreen claim but there is no limit on the cost of the windscreen:

- If your windscreen is replaced, you must pay the excess shown in your schedule.
- If your windscreen is repaired, no excess will apply

Recovery and redelivery

After any claim under this section, we will pay the cost of moving your vehicle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your vehicle back to you in the United Kingdom after repair.

Do not try to move your vehicle if this could increase the damage. If unnecessary damage is caused as a result of any attempts to move your vehicle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged vehicle must be agreed by us. If you arrange storage without our prior knowledge and consent, we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

We agree that you may choose the garage used to repair your vehicle following any event for which cover is provided by this insurance. Furthermore, we agree that there will not be any deduction for wear and tear of any parts that need replacing including the tyres.

Where using our approved repairer for the repair of your vehicle, and your vehicle does not exceed 3.5 tonne gross vehicle weight our approved repairer will:

- Guarantee the repairs for 5 years
- Endeavour to use original equipment manufacturer parts/equipment where feasible
- Supply you with a courtesy car for the duration of the vehicle repair or until your insurance policy expires, whichever is the sooner (where the vehicle involved is covered comprehensively)

If your vehicle cannot be driven safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, anyone conducting repairs to an insured vehicle should retain the following for our inspection:

- A fully costed estimate
- All damaged parts and
- Images of the damaged areas of the insured vehicle

If you fail to provide all requested information, documentation, and evidence of claim damage, we reserve the right not to pay for damages under this section.

If you choose to not use our approved repairer, we will not:

- Be responsible for any delays incurred by the repairer
- Guarantee the provision of a courtesy car
- Guarantee the repairs
- Guarantee the use of original equipment manufacturer paint/parts

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with your chosen repairer over costs.

It is not our policy to use recycled or non-original parts and equipment when repairing your vehicle, although on occasion it may be necessary.

Courtesy car cover

When a courtesy car is provided

If you make a claim under this section and choose to use one of our approved repairers, we will provide you with a courtesy car. This will be available for the duration of your vehicle's repairs or until your insurance policy expires, whichever happens first.

Type of courtesy car

The courtesy car is intended to keep you mobile. It will be a small, standard private car and may not match your own vehicle in size or specification.

When a courtesy car is not available

A courtesy car will not be provided if your vehicle is stolen or deemed a total loss.

Hire car cover

When we provide a hire car

You will receive a hire car that is similar to your insured vehicle if:

- The courtesy car offered by the approved repairer is not suitable for your needs, or
- You choose to use your own repairer, or
- Your vehicle is stolen or declared a total loss

Hire car cost limit

We will pay up to **£10,000** for hire car costs arising from any one claim or incident.

Excess reduction

If you accept the courtesy car from the approved repairer, or if no replacement vehicle is required and the hire car benefit is not used, we will reduce your accidental damage, fire, and theft excess by **£2,000**.

Emergency accommodation or transportation costs

If your vehicle is not roadworthy after an accident and you are unable to complete your journey, we will pay up to **£500** in total towards:

- Emergency overnight accommodation (on a room only basis) and/or
- Travel expenses to enable you to complete your journey

Total loss (write off)

When deciding whether your vehicle is a total loss, we use the Association of British Insurers (ABI) Code of Practice for the Disposal of Motor Vehicle Salvage.

We alone will determine:

- When an insured vehicle is deemed a total loss
- The market value (if this is shown in your schedule) of the insured vehicle, and where applicable
- Any salvage value of that insured vehicle

In the event that we deem your vehicle a total loss, due to it being uneconomical to repair or subject to an unrecovered theft, we will offer an amount in settlement of the claim.

The insurance cover for that insured vehicle will end when you accept that offer.

You will not receive a refund of premium if your insurance ends due to the total loss of your vehicle.

If your insurance covers more than one vehicle, cover will remain in force for any vehicles that have not been declared a total loss.

If you have a single vehicle policy, we will allow this insurance contract to continue on a replacement vehicle provided we accept this substitution, and you pay any additional premium applicable.

If the insured vehicle is owned by someone else, we will discuss the valuation and payments directly with the vehicle owner rather than with you.

When we determine the market value of the insured vehicle, we will take into account any discount on the manufacturer's recommended retail price received at the point of purchase.

Our offer will not exceed the amount shown on your schedule.

Once we have made a payment, the insured vehicle becomes our property unless we agree otherwise.

Enhanced vehicle replacement costs

If the replacement value of your vehicle is greater than the agreed value, we will agree to uplift the value up to an additional 50%. The most we will pay is £500,000.

Vehicles subject to a finance agreement

If the value placed upon the insured vehicle is equal to or greater than the amount owed to the finance company:

- We will pay the finance company first and then settle the balance with the legal owner of the insured vehicle.

If the value placed upon the insured vehicle is less than the amount owed to the finance company:

- We will pay the finance company the value placed on the insured vehicle. You may be required by the finance company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – no legal right to title

If the value placed upon the insured vehicle is greater than the amount owed to the lease / hire company, we will pay them only the amount of the outstanding finance, which will settle the claim in full.

If the value placed upon the insured vehicle is less than the amount owed, the amount we pay to the lease / hire company will settle the claim, and you may be required by the lease / hire company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – legal right to title or proceeds of sale

We will pay the lease / hire company the value of the vehicle, which will settle the claim in full. Any transfer of legal title or distribution of the proceeds of the vehicle should be taken up directly with the lease / hire company in line with the specific terms of your agreement.

Salvage

Where applicable, your vehicle will have a salvage category placed upon it, in line with the ABI Code of Practice.

Only vehicles deemed eligible to go back on the road can be considered for retention. If retention is granted, the value of the salvage, as determined by us, will be deducted from the settlement.

At the point of payment, the vehicle will become our property unless we agree otherwise.

If your vehicle has been subject to an insurance write off (total loss), you must be able to evidence the vehicle has been restored to a roadworthy condition.

In the event of the insured vehicle being subject to another claim, we will request documentary evidence of repairs and other documentation that we may require, to evidence, and to satisfy us, that the insured vehicle has been maintained in a roadworthy condition, otherwise the valuation will be affected.

If we ask, you must send us your vehicle registration document (V5c), MOT certificate (if applicable), the purchase receipt for the vehicle, all keys, and any other relevant documentation before we agree to settle the claim.

New car replacement

We will replace your car with a new one of the same make, model, and specification (if one is available) if your car is less than 24 months old from the date of you buying it new and;

- The cost of repairing any damage (that is covered by this insurance) is more than 50% of the manufacturer's recommended retail price (including taxes) or
- It is lost by theft or is stolen and not recovered

If a car is not available, we will pay an amount equal to that which was paid when you bought your vehicle or the current manufacturer's Recommended Retail Price (including taxes), whichever is less. The lost or damaged car will then belong to us.

We will only provide this benefit if anyone who has a financial interest in the car agrees.

Audio, visual, communication, guidance or tracking equipment

Your vehicle's spare parts and fitted accessories (including the manufacturers' tool kit and the vehicle safety equipment) are insured in the same way as your vehicle. We only provide this cover if the spare parts and fitted accessories are only used with your vehicle, are kept in or on your vehicle and fall within the value placed on your vehicle.

General conditions

What we expect for your cover to be valid

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your insurance, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The vehicle must have an MOT (unless exempt), be taxed (unless exempt), insured and registered in the UK and you must:

- Take all reasonable steps to protect your vehicle from loss or damage
- Maintain your vehicle in a roadworthy condition and
- Let us examine your vehicle at any reasonable time

If the above requirements are not met, we may reject or reduce your claim, and/or cancel your insurance or declare your insurance policy null and void.

Changes to your details

You must tell your broker immediately about any changes to the information you have already provided. Please contact your broker if you are not sure if information is relevant.

When a change is made your broker will tell you if this affects your insurance, for example whether we can continue to offer cover or if we need to change your premium or terms.

Here are some examples of the changes you must tell us about:

- A change of vehicle (including extra vehicles and any temporary vehicles) and/or registration number
- All changes you or anyone else make to your vehicle if these make your vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)
- A change in the estimated annual mileage of your vehicle
- A change of address
- A change in the security or parking arrangements for your vehicle
- A change of job, including any part-time work by you or any named drivers, a change in the type of business or having no work
- A new main user of your vehicle

 - you have not told us about before
 - is not specifically entitled to drive by the certificate of motor insurance, or
 - is excluded by an endorsement
- Details of any motoring conviction(s), disqualification(s) or fixed-penalty motoring offence(s) of any person allowed to drive or of any prosecution(s) pending (where a case is being investigated but there is no conviction yet) for any motor offence

- Details of any non-motoring conviction or prosecution pending (where a case is being investigated but there is no conviction yet) for any person allowed to drive
- Details of any accident, incident or loss (whether or not you make a claim) involving your vehicle or that happens while you (or anyone who is entitled to drive under this insurance) were driving any other motor vehicle (whether you own the vehicle or not)
- If any driver suffers from a disability or medical condition that must be notified to the DVLA, whether or not the driving licence has been restricted

If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to deal with your claim. We will only ask for this if it is relevant to your claim.

You must notify us of a claim at the earliest opportunity of it occurring. If you fail to comply with this section, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act.

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim, we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under Section 1 (less any amounts we have already paid as compensation.). Once we have paid this, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on, or refuse any claim unless you have our permission.

We can:

- Take-over, carry out, defend or settle any claim and
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Act, we can settle the claim or judgement without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation, and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If we are required to settle a claim in order to comply with the law applying to any country in which this policy operates, and which we would not otherwise be required to pay because of a breach of policy conditions, we shall be entitled to recover the amount paid and any associated costs, from either you or the person who incurred the liability.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an independent arbitrator (to whom we must both agree). When this happens, the arbitrator must make a decision before you can start proceedings against us.

Misrepresentation

Where we identify: misrepresentation, non-disclosure, fraud, or any attempt to gain an advantage under this insurance to which you are not entitled, we will apply, at our absolute discretion, one or more of the remedies listed below:

- Agree with you to: amend your insurance policy to record the correct information, apply any required change in premium, policy terms and conditions
- Apply any administration costs
- Reject or pay only a proportion of your claim
- Not return to you any premium paid
- Cancel the policy
- Void the policy (which means to treat the policy as though it never existed)
- Cancel or Void any other ERS policies that you are connected with

In all cases we will make sure that your information is adequately protected. Whenever we transfer your personal information out of the United Kingdom we will ensure a similar degree of protection is afforded to it by making sure that adequate safeguards are implemented, including transferring the data to a country that has been deemed to provide an adequate level of protection for personal data, or ensuring the transfer is subject to the standard contractual clauses approved by the European Commission or other contracts or mechanisms which provide equivalent protection.

How we use and disclose your personal information

To assess the terms of your insurance contract, or to deal with any claims, we may need to share information like your name, address, date of birth and details such as medical conditions or criminal convictions. The recipients of this information could include (but are not limited to) credit reference agencies, anti-fraud databases, other insurers, underwriters, and other group companies who provide administration or support services. For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, courts, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

We purchase reinsurance to protect against the most significant claims made against motor insurance policies issued. Should such a claim arise under your insurance contract, we may disclose to our reinsurance broker and reinsurers, the details of the claim, including all personal and special category

data related to the claim. That disclosure is necessary for the management of any reinsurance claim made by us and this practice of spreading risk is standard practice in the insurance market.

The Data Protection laws classify information about your medical conditions, disabilities, and criminal convictions as 'special category' personal data which warrants extra protection. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for our processing of personal information, and the disclosure we may make, can be found on our website:

www.ers.com/policy-pages/privacy-policy

Accepting and administering your insurance policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk
- Make decisions about providing and dealing with insurance and other related services for you and members of your household
- Set price levels for your insurance
- Confirm your identity to prevent money laundering
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance
 - If there is an accident or a claim or
 - At the time you renew your insurance

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages in accordance with applicable laws and regulations. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.ers.com/policy-pages/privacy-policy. See also “Your Rights” below.

Motor Insurance Database (MID)

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers’ Bureau (MIB). Certain government or authorised organisations including the police, DVLA, DVLNI, Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport)
- Electronic vehicle licensing
- Law enforcement for the purposes of preventing, detecting, catching, or prosecuting offenders and
- Providing government services or other services aimed at reducing the level of uninsured driving

If you are involved in a road-traffic accident (either in the UK, the EEA, or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim

for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, your broker, your legal representative, others involved in the incident, their insurer, their solicitor, or representative and medical teams, authorised repairers, the police, or other investigators. We also may have to investigate your claim and conviction history. This may involve external claims handlers, loss adjusters, legal and other expert advisers.

Under the conditions of your insurance policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- Training and quality control
- As evidence of conversations
- For the prevention or detection of crime (e.g., fraudulent claims)

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also conduct searches of publicly available sources of information including social media to verify claims and detect and prosecute fraud. We may share your information with law enforcement agencies, legal advisers, investigators, other organisations, and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities
- Recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Details of the registers, databases, and fraud prevention agencies we use may be requested from the Company Secretary at: ERS Insurance Group Limited, 30 Fenchurch Street, London EC3M 3BD.

Retention

We will keep your personal data only for as long as is necessary for the purpose for which it was collected. In particular, we will retain your information for as long as there is any possibility that either you or we may wish to bring a legal claim under or relating to your insurance, or where we are required to keep your information for legal or regulatory purposes.

If court proceedings are issued or a conflict of interest arises, and you wish to nominate a legal representative to act for you, you may do so. where you have elected to use a legal representative of your own choice you will be responsible for any advisers' costs in excess of our standard advisers' costs.  - Keep us fully advised of all developments and provide such information as we may require.

- You must instruct the adviser to provide us with all information that we ask for and report to us as we direct at their own cost.

Prospects of success

At any time, we may, but only when supported by independent legal advice, form the view that you do not have a 51% or higher chance of winning the case and achieving a positive outcome. If so, we may decline support or any further support.

Examples of a positive outcome are:

- Being able to recover the amount of money at stake.
- Being able to enforce a judgement.
- Being able to achieve an outcome which best serves Your interests.

Disputes

If a complaint cannot be dealt with by the Financial Ombudsman Service (see 'Complaints'), any dispute between you and us may, where we both agree, be referred to an arbitrator who will be either a solicitor or a barrister. If the parties cannot agree on their choice of arbitrator the Law Society may be asked to make a nomination. The arbitration will be binding and carried out under the Arbitration Act.
