What to do if you need to make a claim

Nobody likes having to make a claim. But by following these two simple steps you can make sure it goes smoothly:

- You must tell us about any potential claim at the earliest opportunity. If applicable, and it is safe to do so, please call us from the scene of the accident.
- Take photographs of any damage to the vehicles involved.

Claims and windscreen helpline – 0330 123 5991

- Call this number if you need to report an accident, fire, theft or windscreen claim (if applicable)
- We're open 24 hours a day, 365 days a year. Our expert staff will take down the details and help you get back on the road as soon as possible.
- If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the Police and obtain a crime reference number.

You can count on us for all this:

- A market-leading customer experience
- A specialist team to handle your claim.
- A network of approved suppliers to get you back on the road quickly.

Repairing your vehicle

If your insurance covers damage to your vehicle, we can talk you through the options for getting it repaired.

We'll take care of everything:

- If your vehicle can't be driven we will arrange for roadside recovery
- We'll collect the vehicle from you and deliver it back to you after the repairs.
- Repairs will be carried out by a garage in our approved repairer network, provided that's the best option for you.
- An expert claim handler will manage your claim for you.

We want to get you back on the road as soon as possible.

Keeping your vehicle safe

Please make sure your vehicle is locked and the keys are in a safe place.

Your insurance won't cover loss of your vehicle or its contents by theft or attempted theft, or if it's been taken by an unauthorised person if:

- It was left unlocked or
- It was left with the keys (or any form of keyless entry / ignition control device), in or on it or
- It was left with the windows, roof panel or the roof of a convertible vehicle open (if your vehicle has these) or
- Reasonable precautions were not taken to protect it.

If someone makes a claim against you

There are a few simple steps you can take to try to reduce the amount of any claim against you and to protect yourself against fraudulent claims.

Don't apologise or admit it was your fault

Make sure to take the other person's details including:

- Their name, address and contact number.
- The registration number and make and model of their vehicle.
- Their insurer's name and policy number.

Take photos of:

- Any damage to their vehicle
- Any damage to your own vehicle
- The scene of the accident, as long as it's safe to do so.

Make a note of:

- Any injuries to anyone involved.
- The number of passengers in the other vehicle
- The name, address and contact number of any witnesses.

Section 1 – Liability to others

Driving your vehicle

We will provide insurance for any accident you have while you are driving, using or in charge of your vehicle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is **£20,000,000** for any claim or claims arising out of one incident.

We will pay up to **£5,000,000** for any costs and expenses arising out of a claim or claims arising from one incident.

If there is a property-damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Driving other cars

We will also provide the cover shown above (if this is shown on your certificate of motor insurance), to drive any private car that you do not own providing the other car is not a hire, rental or courtesy car or provided to you under a hire-purchase or any other finance agreement - as long as you have the owner's permission to drive the private car.

You are not insured against:

- Any loss or damage to the vehicle you are driving.
- Any event which happens outside of the United Kingdom
- Any legal responsibility if you no longer have the insured vehicle.
- Any event which happens when this insurance is not in the name of an individual person.
- Any legal responsibility unless the vehicle is insured against third party road risks, in its own right or
- Securing the release of a vehicle that has been seized, by or on behalf of the police or any public or local authority.

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people:

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception, or condition.
- Any passenger who has an accident while travelling in or getting into or out of the insured vehicle, as long as you ask us to cover the passenger.

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Business use (private cars only)

If your certificate of motor insurance allows business use, we will insure your employer or business partner against the events shown above under 'Driving your vehicle' while you are working for that employer or partner, but not while using a vehicle provided by the employer or partner unless that vehicle is shown on your schedule.

Cover for principals

As far as is necessary to meet the requirements of any agreement or contract entered into by you for the performance of work, we will insure the principal at your request - provided the principal complies with the terms and conditions of this insurance in so far as they can apply.

Contingent liability

We will insure you while an employee of yours uses, on your business, a vehicle you do not own or have supplied as long as:

- You have given express permission for the vehicle to be used on your business.
- You have taken all reasonable steps to ensure that there is a separate motor insurance policy, in the employee's name, giving you cover for such use and
- There is no cover provided by any other insurance.

We will not be liable:

- For any loss or damage to such vehicle or
- To cover any person driving such vehicle

Joint liability

If this document is in the name of more than one person, we will cover each person as if we had sent an individual document to each. We will cover each against the liability of the other, as long as the liability, loss or damage is not covered by any other insurance.

Unauthorised movement

We will insure you in respect of any accident caused by, through or in connection with the movement of any motor vehicle not belonging to you and not in your custody or control, as long as the vehicle is preventing your vehicle from passing and:

- Is being moved by an employee of yours
- Is being moved in connection with your business.
- Is not the property of the employee moving it and
- Is not covered by any other insurance covering such accident, damage, or loss.

Legal costs

In respect of any event which is covered under this section, if we first agree in writing, we will arrange and pay:

- Up to **£35,000** towards your legal fees and expenses for defending legal proceedings, including appeals, and
- Up to **£1,000,000** towards the cost of any prosecution awarded against you arising from any health-and-safety enquiry or criminal proceedings for breaking the:
 - Health and Safety at Work Act 1974
 - Health and Safety at Work (Northern Ireland) Order 1978 or
 - Corporate Manslaughter and Corporate Homicide Act 2007

We will not provide this cover:

- Unless the proceedings relate to an actual or alleged act, failure to act or accident that happens during the period of insurance within the United Kingdom and in connection with your business.
- Unless the proceedings relate to an actual or alleged act, failure to act or accident arising from you, or a person on your behalf using, or you having or owning, a motor vehicle or trailer where compulsory insurance or security is required by the Road Traffic Act
- For any proceedings which result from your deliberate act or failure to act or
- Where cover is provided by any other policy

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer, or a broken-down vehicle (as allowed by law).

We will only provide this cover if:

- The caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment made for the purpose and
- The method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law.

We will not pay any claim arising from:

- Loss of or damage to the towed caravan, trailer, or broken-down vehicle
- Loss of or damage to any property being carried in or on the towed caravan, trailer, or broken-down vehicle.
- A caravan, trailer or broken-down vehicle being towed for reward.
- Towing more trailers than the number allowed by law or
- If more than one caravan or broken-down vehicle is being towed at any one time.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Acts.

Charging cable – Liability

We will cover your legal liability for death, bodily injury or damage to property arising out of the connection of the insured car to a domestic mains power supply, or a rapid charging unit for the purposes of charging the car. Only whilst it is connected by means of the manufacturer supplied domestic charging cable or the rapid charging unit's standard heavy-duty cable.

Cyber Liability Cover

We will pay any amounts you may legally have to pay subject to the limits stated under Section 1 for causing death or bodily injury to other people, or property damage, due to:

1. The use of, or failure of, any application, software or programme in connection with your vehicle (including any driver assistance, safety or security systems);
2. Any computer virus, ransomware, code or software affecting any electronic systems fitted to your vehicle by the original vehicle manufacturer;
3. Any threat, deception or hoax relating to 1 and/or 2 above;

subject to the terms, conditions, limitations, and exclusions of this policy.

Exceptions to Section 1

This section of your insurance does not cover the following:

1. Anyone who can claim for the same loss from any other insurance.
2. Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance.
3. Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws.
4. Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss, or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event.

This exception:

- Relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour, or gas leaking or being released and
- Includes contamination or pollution of any building or other structure, water, land, or the air.

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour, or gas being deliberately released or leaks caused by the failure to maintain or repair your vehicle, or any part of it.

5. Death, bodily injury, or damage arising as a result of loading or unloading your vehicle somewhere other than on the road by anyone apart from the driver or attendant.
6. Death, bodily injury, or damage arising out of crop spraying.

Section 2 – Loss of or damage to your vehicle

This cover only applies to your vehicle.

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion or
- Theft or attempted theft or taking your vehicle away without your permission.

For a claim under this section we will, at our absolute discretion, either:

- Pay for the damage to be repaired.
- Pay an amount of cash to replace the lost or damaged item or
- Replace the lost or damaged item.

The most we will pay will be either:

- The UK mainland market value of your vehicle as determined by us, immediately before the loss; up to the value shown on your schedule or
- The amount it would cost us to repair your vehicle at an ERS approved repairer or as otherwise agreed by our appointed engineer.

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown on your schedule, you have agreed to pay that amount for each incident of loss or damage.

If more than one vehicle is insured on your policy and they are involved in the same incident, the excess shown on your schedule will apply to each vehicle separately.

Windscreen damage (comprehensive cover only)

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen. The helpline number is 0330 123 5991.

This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

The following excesses apply to a windscreen claim but there is no limit on the cost of the windscreen:

Condition	Excess
If your windscreen is repaired by our approved supplier	£10
If your windscreen is replaced by our approved supplier	£75
If your windscreen is repaired or replaced by any other company	£125

If the only claim you make is for broken glass in your vehicle's windscreen or windows, including bodywork scratched by the breakage, it will not affect your No Claim Bonus.

Agricultural vehicles

You must pay the first £50 of any claim regardless of which company carries out the repair or replacement.

Extra excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced driver (including yourself) is driving, you will have to pay the first amount of any claim as shown below. This is on top of any other excess that you may have to pay.

Drivers	Amount
Under 21 years of age	£300
Aged 21 to 24 years	£200
Aged 25 years or over who has a provisional driving licence or has not held, for 12 months or more, a full driving licence issued by the UK or any country which is a member of the European Union.	£200

These amounts do not apply if the loss or damage is caused by fire or theft or where the insured vehicle is an agricultural vehicle.

Recovery and redelivery

After any claim under this section, we will pay the cost of moving your vehicle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your vehicle back to you in the United Kingdom after repair.

Do not try to move your vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your vehicle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged vehicle must be agreed by us. If you arrange storage without our prior knowledge and consent, we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

If your vehicle is damaged in any way which is covered by this insurance, you should contact us immediately. We can, if you wish, organise for our approved repairers to repair your vehicle.

Where using our approved repairer for the repair of your vehicle, and your vehicle does not exceed 3.5 tonne gross vehicle weight our approved repairer will:

- Guarantee the repairs for 5 years.
- Endeavour to use original equipment manufacturer parts/equipment where feasible.
- Supply you with a courtesy car (subject to availability) for the duration of the vehicle repair or until your policy expires, whichever is the sooner (where the vehicle involved is covered comprehensively)

If your vehicle cannot be driven safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, anyone conducting repairs to an insured vehicle should retain the following for our inspection:

- A fully costed estimate
- All damaged parts and
- Images of the damaged areas of the insured vehicle

If you fail to provide all requested information, documentation, and evidence of claim damage, we reserve the right not to pay for damages under this section.

If you choose to not use our approved repairer, we will not:

- Be responsible for any delays incurred by the repairer.
- Be responsible for the provision of a courtesy car.
- Guarantee the repairs.
- Guarantee the use of original equipment manufacturer paint/parts.

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with your chosen repairer over costs.

It is not our policy to use recycled or non-original parts and equipment when repairing your vehicle, although on occasion it may be necessary.

Total loss

When deciding whether your vehicle is a total loss, we use the Association of British Insurers (ABI) Code of Practice for the Disposal of Motor Vehicle Salvage.

We alone will determine:

- When an insured vehicle is deemed a total loss
- The market value of the insured vehicle, and where applicable
- Any salvage value of that insured vehicle

In the event that we deem your vehicle a total loss, due to it being uneconomical to repair or subject to an unrecovered theft, we will, unless you qualify for a new replacement car benefit, offer an amount in settlement of the claim.

The insurance cover for that insured vehicle will end when you accept that offer.

You will not receive a refund of premium if your insurance ends due to the total loss of your vehicle.

If your insurance covers more than one vehicle, cover will remain in force for any vehicles that have not been declared a total loss.

If the insured vehicle is owned by someone else, we will discuss the valuation and payments directly with the vehicle owner rather than with you.

When we determine the value of the insured vehicle, we will take into account any discount on the manufacturer's recommended retail price received at the point of purchase.

Our offer will not exceed the amount shown on schedule.

Once we have made a payment, the insured vehicle becomes our property unless we agree otherwise.

Vehicles subject to a finance agreement

If the market value we place upon the insured vehicle is equal to or greater than the amount owed to the finance company:

We will pay the finance company first and then settle the balance with the legal owner of the insured vehicle.

If the market value placed upon the insured vehicle is less than the amount owed to the finance company:

We will pay the finance company the market value of the insured vehicle. You may be required by the finance company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – no legal right to title

If the market value we place upon the insured vehicle is greater than the amount owed to the lease / hire company, we will pay them only the amount of the outstanding finance, which will settle the claim in full.

If the market value we place upon the insured vehicle is less than the amount owed, the amount we pay to the lease / hire company will settle the claim, and you may be required by the lease / hire company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – legal right to title or proceeds of sale.

We will pay the lease / hire company the market value of the vehicle, which will settle the claim in full. Any transfer of legal title or distribution of the proceeds of the vehicle should be taken up directly with the lease / hire company in line with the specific terms of your agreement.

Salvage

Where applicable, your vehicle will have a salvage category placed upon it, in line with the ABI Code of Practice.

Only vehicles deemed eligible to go back on the road can be considered for retention. If retention is granted, the value of the salvage, as determined by us, will be deducted from the settlement.

At the point of payment, the vehicle will become our property unless we agree otherwise.

If your vehicle has been subject to an insurance write off (total loss), you must be able to evidence the vehicle has been restored to a roadworthy condition.

In the event of the insured vehicle being subject to another claim, we will request documentary evidence of repairs and other documentation that we may require, to evidence, and to satisfy us, that the insured vehicle has been maintained in a roadworthy condition, otherwise the valuation will be affected.

If we ask, you must send us your vehicle registration document (V5c), MOT certificate (if applicable), the purchase receipt for the vehicle, all keys, and any other relevant documentation before we agree to settle the claim.

New vehicle replacement (commercial vehicles and cars only)

If your vehicle is a private car or a commercial vehicle with a gross vehicle weight of 3.5 tonnes or less, we will replace it with a new one of the same make, model, and specification (if one is available) if it is less than one year old from the date of you buying it new and:

- The cost of repairing any damage (that is covered by this insurance) is more than 50% of the manufacturer's recommended retail price (including taxes) or
- It is lost by theft or is stolen and not recovered.

If a car is not available, we will pay an amount equal to that which was paid when you bought your vehicle or the current manufacturer's Recommended Retail Price (including taxes), whichever is less. The lost or damaged car will then belong to us.

We will only provide this benefit if you ask for it and anyone who has a financial interest in the car agrees.

The cover provided by this policy includes loss of, or damage to, permanently fitted audio, visual, communication, guidance or tracking equipment that formed part of your vehicle when it was originally made.

Where your vehicle is either: an agricultural vehicle, a car or commercial vehicle, we will provide cover for any trailer which is used only for agricultural or forestry purposes (excluding any passenger carrying trailers), and which is owned or controlled by you or for which you are legally responsible, against loss or damage, while it is either attached to, or detached from, your vehicle.

General conditions

What we expect for your cover to be valid

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your policy, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The vehicle must have an MOT (unless exempt), be taxed (unless exempt), insured and registered in the UK and you must:

- Take all reasonable steps to protect your vehicle from loss or damage.
- Maintain your vehicle in a roadworthy condition and
- Let us examine your vehicle at any reasonable time.

If the above requirements are not met, we may reject or reduce your claim, and/or cancel your policy or declare your policy null and void.

Changes to your details

You must tell us immediately about any changes to the information you have already provided. Please contact your broker if you are not sure if information is relevant. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of vehicle (including extra vehicles and any temporary vehicles)
- All changes you or anyone else make to your vehicle if these make your vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)
- A change of address

 - is excluded by an endorsement.

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to help us deal with your claim. We will only ask for this if it is relevant to your claim.

You must notify us of a claim at the earliest opportunity of it occurring. If you fail to comply with this section, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act.

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under Section 1 (less any amounts we have already paid as compensation.). Once we have paid this, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on, or refuse any claim unless you have our permission.

We can:

- Take-over, carry out, defend, or settle any claim and
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance.

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation, and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If we are required to settle a claim in order to comply with the law applying to any country in which this policy operates, and which we would not otherwise be required to pay because of a breach of policy conditions, we shall be entitled to recover the amount paid and any associated costs, from either yourself or the person who incurred the liability.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an independent arbitrator (to whom we must both agree). When this happens, the arbitrator must make a decision before you can start proceedings against us.

Misrepresentation

Where we identify: misrepresentation, non-disclosure, fraud, or any attempt to gain an advantage under this insurance to which you are not entitled, we will apply, at our absolute discretion, one or more of the remedies listed below:

- Agree with you to: amend your policy to record the correct information, apply any required change in premium, policy terms and conditions.

In all cases we will make sure that your information is adequately protected. Whenever we transfer your personal information out of the United Kingdom we will ensure a similar degree of protection is afforded to it by making sure that adequate safeguards are implemented, including transferring the data to a country that has been deemed to provide an adequate level of protection for personal data, or ensuring the transfer is subject to the standard contractual clauses approved by the European Commission or other contracts or mechanisms which provide equivalent protection.

How we use and disclose your personal information

To assess the terms of your insurance contract, or to deal with any claims, we may need to share information like your name, address, date of birth and details such as medical conditions or criminal convictions. The recipients of this information could include (but are not limited to) credit reference agencies, anti-fraud databases, other insurers, underwriters, and other group companies who provide administration or support services. For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, courts, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

We purchase reinsurance to protect against the most significant claims made against motor insurance policies issued. Should such a claim arise under your insurance contract, we may disclose to our reinsurance broker and reinsurers, the details of the claim, including all personal and special category data related to the claim. That disclosure is necessary for the management of any reinsurance claim made by us and this practice of spreading risk is standard practice in the insurance market.

The Data Protection laws classify information about your medical conditions, disabilities, and criminal convictions as 'special category' personal data which warrants extra protection. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for our processing of personal information, and the disclosure we may make, can be found on our website:

www.ers.com/policy-pages/privacy-policy

Accepting and administering your policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk.
- Make decisions about providing and dealing with insurance and other related services for you and members of your household.
- Set price levels for your policy.
- Confirm your identity to prevent money laundering.
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance
 - If there is an accident or a claim or
 - At the time you renew your policy

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages in accordance with applicable laws and regulations. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.ers.com/policy-pages/privacy-policy. See also “Your Rights” below.

Motor Insurance Database (MID)

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers’ Bureau (MIB). Certain government or authorised organisations including the Police, DVLA, DVLNI, Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport)

- Electronic vehicle licensing
- Law enforcement for the purposes of preventing, detecting, catching, or prosecuting offenders and
- Providing government services or other services aimed at reducing the level of uninsured driving.

If you are involved in a road-traffic accident (either in the UK, the EEA, or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, your broker, your legal representative, others involved in the incident, their insurer, their solicitor or representative and medical teams, authorised repairers, the police, or other investigators. We also may have to investigate your claim and conviction history. This may involve external claims handlers, loss adjusters, legal and other expert advisers.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- Training and quality control
- As evidence of conversations
- For the prevention or detection of crime (e.g. fraudulent claims)

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also conduct searches of publicly available sources of information including social media to verify claims and detect and prosecute fraud. We may share your information with law enforcement agencies, legal advisers, investigators, other organisations, and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by

Insurance Database Services Limited (IDSL). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities.
- Managing credit and credit related accounts or facilities
- Recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Details of the registers, databases and fraud prevention agencies we use may be requested from the Company Secretary at: ERS Insurance Group Limited, 30 Fenchurch Street, London EC3M 3BD.

Financial Services Compensation Scheme (FSCS)

As we are members of the Financial Services Compensation Scheme (FSCS), you may be entitled to compensation under the scheme if we cannot pay out all valid claims under this insurance. This depends on the type of policy you have and the circumstances of the claim. The scheme will cover 90% of the claim with no upper limit. For types of insurance you must have by law (such as third party insurance for motor claims), the scheme will cover the whole claim. You can get more information about the scheme from the FSCS via:
