Why ERS?

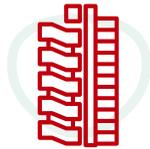

We are the UK's largest specialist motor insurer at Lloyd's.

Our experts provide A+ rated motor insurance exclusively through our UK broker partners for all kinds of vehicle owners.

Cover that really understands the driver's needs. From safari park managers and farmers, cherished super car collectors, taxi drivers and fleet managers. We even insure mobile dog groomers. Neat.

Agricultural Motor

Unearth a bigger market

It's not just farmers who use the machinery we insure. Garden centres, sporting clubs, zoos and safari parks all need cover for their workday vehicles.

With our flexible approach to underwriting, we can fit the complex needs of rural businesses.

Farmers Plan

Specialised motor insurance for modern diversified farming. Cover is suitable for small and large-scale farms, country estates, farming cooperatives and liveryes.

Your Agriculture Motor support network

At ERS, our expert teams are here to support you and your clients. Whether straightforward or complex, collaboration is needed to deliver the right motor cover solution for rural business needs.

We understand the local Agricultural motor market and our expertise means that we can quickly turnaround competitive quotes that your business clients can rely on, with our specialist A+ rated Farmers Plan and Leisure and Recreation cover.

Malcolm Cawsey

Malcolm Cawsey is our Agriculture Product Manager, and manages the underwriting team. It's his role to look into market data and trends in this specialist sector and adapt our products to fit customer needs

malcolm.cawsey@ers.com

Broker Support Network

We have designed a specialist support network of regional experts and account managers to help answer any questions and to be there when you need us the most.

Key Broker benefits

All claims are handled in-house, so you know you're talking to experts who understand the vehicles involved.

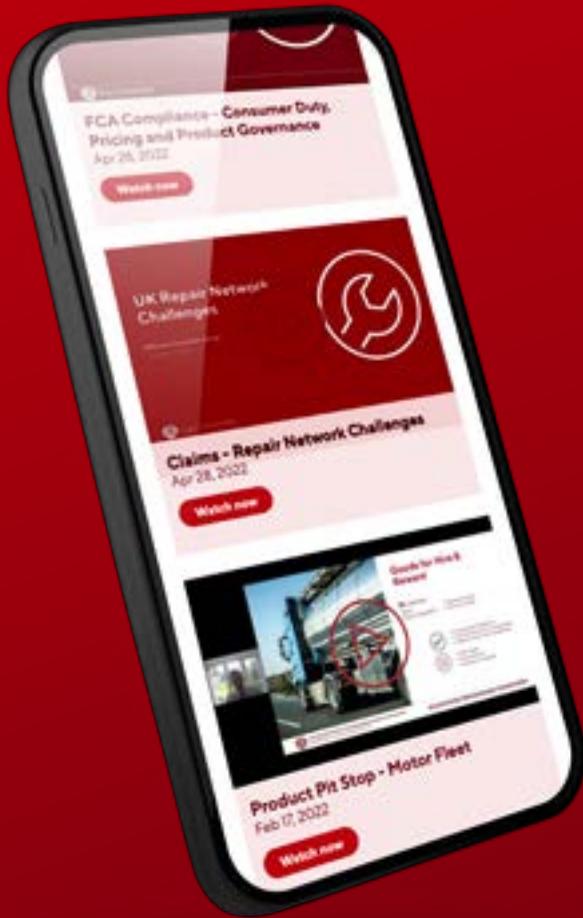

Only genuine OEM replacement parts used at our nationwide network of specialist repairers

Damage assessments are quickly reported and accurately managed by our in-house team of qualified engineers.

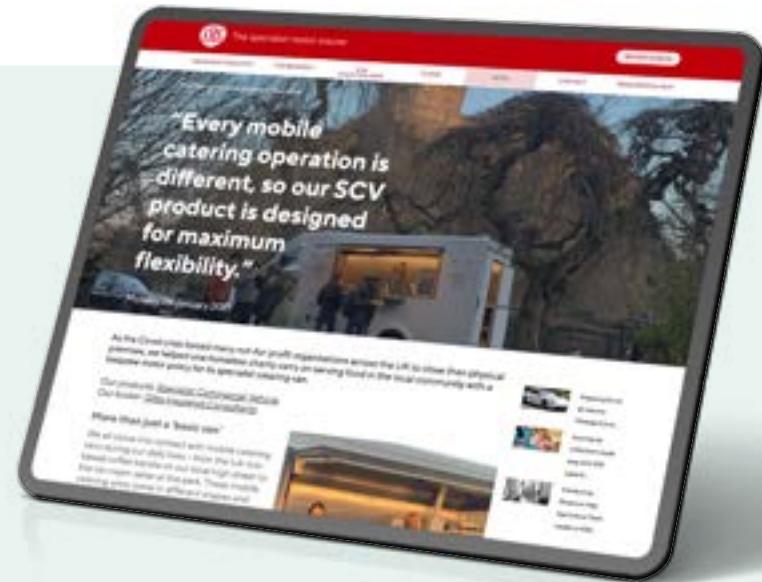

No need for your client to be involved if a claim is made against them. We'll deal directly with innocent third-party claims.
